Did You Know? Bend, Oregon

1

The name Bend was derived from "Farewell Bend."

2

Bend was incorporated as a city in 1905. Economically, it started as a logging town but is now identified as a gateway for many outdoor sports including mountain biking, fishing, hiking, camping, rock climbing, white-water rafting, skiing, and golf.

3

Bend and all of Oregon has no sales tax.

4

Oregon is one of only two states where you can't pump your own gas (New Jersey being the other).

5

Bend is home to the Deschutes Brewery, the 5th largest microbrewery in the nation.

6

In our little mountain town of 91,122 people, Bend has 14 world-class craft breweries (and counting).

7

Bend has the highest average number of sunny days in the state, with an average of 158 clear days per year and an additional 105 days that are mostly sunny. Many of the remaining days provide substantial sunshine.

8

The nearest commercial airport is Roberts Field in Redmond, 18 miles north.

9

Bend is a very pet friendly town with over 51 miles of urban trails in town and over 13 off-leash areas in city parks and national forests.

10

Bend's elevation is at 3,623f/1104m above sea level

11

Bend also has an exceptional selection of small grocery stores offering local and organic options. For the summer months, don't miss the Bend Farmers Market every Wednesday afternoon in Drake Park, every Friday afternoon at St. Charles Medical Center and every Saturday from June 20 - September 19th at NorthWest Crossing.

12

In 2012, St. Charles Medical Center was recognized as one of the best health systems in the nation for quality and efficiency for the fourth year running.
